

The Hegeler Carus Mansion  
Made to Order  
(Available in 1.24 & 1.48 scale)

Dimensions: 24" W x 20" D with porch stairs and 23" H.

This is a replica of the Historic Landmark Hegeler Carus mansion in LaSalle, Illinois. This is a collector/builder's kit. Not for small children.

The house kit comes complete with working interior doors, Main Entry door, Side exterior door, all shingles precut for fitting the roof, Plexiglas, frames, stairs and rails. The main stairs, interior stairs, doors, roof windows come pre-assembled for quick assembly. Kit is unpainted and unassembled. Easy concise assembly instructions provided. A further Optional Extra is to fit a Plexiglas sheet to the back of the house together with a Turntable (both items available at an additional charge) should you wish to have this exquisite property admired by all who see it. We also have our own Assembly Service available at an additional charge.
