

Saint Charles French Quarter 1:12

Made to Order

(Available 1.12,1.24)

Dimensions: 16" wide by 28.5" deep by 28" high

The Saint Charles is reminiscent of the fine old houses in the French Quarter. Featuring 6 rooms, a porch, balcony area, and open on one side. All 6 rooms are 12x13 inches. Kit comes unassembled and unpainted including 2 detailed interior staircases with railings; laser cut porch rails designed to represent the architectural fretwork iron railings typical of French Quarter style properties. It also has main roof running trim; 6 classic single windows; 3 detailed interior doors; 2 classic single doors. The Saint Charles is made from 1/4" cabinet grade Baltic Birch and weighs 23 pounds in a shipping box size 30 "x 20" x 6".

The Saint Charles is also available in a lower priced "SHELL KIT" (No Windows, Doors or Stairs)-just house kit and trims only. Please advise when ordering which kit you prefer. We also have our own Assembly Service (available at an extra charge) should this be of interest to you. As optional extra-a clear Perspex panel can be fitted to open side together with a turntable (both additional charges) allowing you to have your house admired by one and all.
