

The Ashburton 1.12

\$ 599.99

BP61W-(White) B61P (Purple)

Dimensions: 620mm high x 530mm wide x 380mm (Weight (g) 28000

Kit comes unassembled, fully painted, including windows, door stairs. Easy assembly, Screw and Slot together simply and quickly with screwdriver. 2 storey house, hinged roof attic, split front opening, veranda, bay window. 3mm Plywood. Although 1.12 it does have smaller features therefore not all 1.12 scale dolls, furniture, accessories will suit. 1.24 scale may be better option. We advise measuring your room space when ordering furniture, accessories etc.
